Post-Purchase Loan Policies and Subordination Guidelines

The City of Alexandria will consider a loan subordination request from an individual borrower who has a loan with the City when the subordination results in one of the following:

1. **Simple refinancing** such as interest rate reduction and/or there is a mortgage loan product change (when an Adjustable-rate Mortgage matures and the client switches to a fixed product)
2. **Cash out refinancing** in which the homeowner seeks to use a portion of their appreciated home equity for documented home improvement or other eligible purposes.

Assisted borrowers should consider the goals and intent of City assistance when requesting a loan subordination. If it is within the borrower's ability to repay the assistance so that funds may be used to assist other low and moderate-income, first-time homebuyers, then borrowers are strongly encouraged to do so.

General Subordination Guidelines:

- The subject property must be owner-occupied at all times.
- Lender fees, such as closing costs, may be rolled into the new loan.
- Refinancing costs and points do not exceed 5% of the loan balance.
- Combined loan-to-value of all mortgages may not exceed 90 percent.
- Ineligible New First Lien Loans:
 - Limited documentation
 - A-minus or sub prime
 - Interest-only or Potential Negative Amortization loans
 - Balloon payment provisions
 - Privately held mortgages
- Reverse mortgages will be considered on a case-by-case basis.

Processing Time/ Fee

- Subordination requests are processed on a first come, first served basis. If the subordination packet is complete and meets the guidelines outlined above, it will be processed within approximately **three weeks** from the date the subordination packet is received
- A processing fee of \$75 for each subordination request will be charged to the borrower. The fee is to be paid by the borrower at the loan closing.

Simple Refinancing Subordination Requirements:

- A simple refinancing is one in which the new loan amount does not exceed the current mortgage balance secured ahead of the City loan (excluding reasonable lender fees)
- Maximum term of 30 years
 - The new loan instrument should be more favorable than the current loan instrument (for example, replacing an ARM with a fixed-rate loan or replacing a shorter-term ARM with a longer-term ARM).
- Debt to income ratios cannot exceed acceptable standards. Acceptable standard debt-to-income ratios are 32 percent for debt related to the principal, interest, taxes and insurance (PITI) and 41 percent for all debt. Expanded ratios of up to 34 percent and 43 percent may be allowed with strong compensating factors such as excellent credit history, savings, employment history, etc.

Cash-Out Refinancing Subordination Requirements:

- Maximum term of 30 years. The new first mortgage is a permanently fixed rate mortgage with no balloon payments and no pre-payment penalty. Adjustable Rate Mortgages (ARMs) will be considered only on a case-by-case basis in limited circumstances.
 - The new loan instrument should be more favorable than the current loan instrument (for example, replacing an ARM with a fixed-rate loan).
- Debt to income ratios cannot exceed acceptable standards. Acceptable standard debt-to-income ratios are 32 percent for debt related to the principal, interest, taxes and insurance (PITI) and 41 percent for all debt.
- “Cash-out” requests are defined as any requests in which a homeowner will receive cash proceeds from a loan transaction.

- For Moderate Income Homeownership Program Loans (MIHP):
 - Income **cannot** exceed current Moderate Income Homeownership Program Income Limits

Documentation Checklist

The following information must be submitted for consideration of your request. All information must be easily located and complete. Missing information will delay the processing of the request.

From the Lender:

- ☐ Uniform Residential Loan Application (1003)
- ☐ Uniform Underwriting and Transmittal Summary (1008)
- ☐ Truth in Lending Statement
- ☐ Credit Disclosure (ARM disclosures must include both annual and lifetime interest rate caps, loan index and margin, etc.)
- ☐ Mortgage Credit Report(s) (*joint if married or has a co borrower*)
- ☐ Title Report
- ☐ Uniform Residential Appraisal Report (1004)
- ☐ Income verification (pay stubs, W-2's, retirement/pension or social security award letters)
- ☐ Asset verification (2 months, all pages)
- ☐ Rate Lock Agreement (if applicable)
- ☐ Proposed settlement date and contact information for settlement company

From the Borrower:

- ☐ Subordination Request letter from borrower requesting existing city loan be subordinated
- ☐ Letter of explanation from borrower addressing purpose of proceeds from cash out refinance

Requests for Short Sale Approval – Requirements:

- Requests for City approval of short sales must be submitted concurrently to the City and the first trust lender. Required documentation includes:
 - ☐ Borrower's Financial Statement
 - ☐ Hardship Letter
 - ☐ 2 consecutive and current pay-stubs for each household member
 - ☐ Verification of any other income
 - ☐ Checking and savings account statements for the last two months
 - ☐ Tax returns for the last two years
- The real estate agent representing the borrower is responsible for providing timely informational updates to the City on the status of the first trust lender approval, including documentation of the lender's approval reflecting the agreed upon resale price.
- The City will consider the request to allow a short sale and if approved, will issue a Release of Lien and Allonge to Promissory Note outlining the repayment terms of any loan funds not repaid at resale. Any proceeds from the sale of the City-assisted property must be paid to the City at settlement and a HUD-1 settlement statement must be provided no less than 24 hours before the scheduled settlement.
- Any unpaid balance of the City's loan must be repaid on a monthly basis by the borrower over a period not to exceed 10 years. The terms of the loan remain unchanged except in the case of default as outlined in the required "allonge to promissory note."
- In certain circumstances, the City may consider a reduction in the principal of its loan. Such a reduction will only be approved when the borrower can demonstrate a financial hardship that would make full repayment of the City's loan a hardship beyond the means of the borrower. The acceptable repayment amount will be considered in context of the borrower's current income, housing costs and other debt obligations.

Policies and Procedures in the Event of Foreclosure:

- Upon notification of a default as defined in the City's deed of trust, including notification of a scheduled foreclosure, staff will attempt to contact the Borrower in writing and by telephone. Staff will try to determine the reasons for the foreclosure action, the borrower's goals and expectations with regard to their housing, the potential negative impact of proceeding with the foreclosure, and will offer foreclosure prevention counseling services.
- If the Borrower states that he/she has no interest or intention to retain the property and does not plan to reinstate their first trust loan, he/she will be encouraged to establish a loan repayment plan with the City that is within his/her financial means to repay.
- Should staff be unsuccessful in forestalling the sale of the property at auction and no efforts are made by the borrower to repay City loan assistance, upon foreclosure, the City will pursue available legal remedies to seek repayment of City loan funds, including judgment and collection actions.
